January 2025

ACCOMPLISHMENTS

Secured University **1st Rank** in BCA **Semester 5** with a GPA of **9.92** (SPU, Oct 2024). Ranked **5th** in **Sardar Patel University** in **BCA** with a **CGPA (9.62) of 96.20** (Jun 2022 - April 2025). Consistently recognized with academic excellence certificates for **top performance** across **Semesters 1 to 6**. I received **eLibrary Usage Award** for **highest digital learning** engagement in college. Completed **certified API Integration in PHP workshop** organized by Anand Commerce College (Feb 2025).

ADDITIONAL INFORMATION

Self-motivated learner with strong interest in modern web technologies such as **RESTful APIs & React**. Developed and deployed **5+ academic projects** including **2 ASP.NET (C#)** dynamic web applications, **3 PHP-based web systems**, and a **personal portfolio website** using HTML/CSS with Bootstrap Framework.

Actively contributing to **GitHub** and continuously enhancing **full-stack development skills**.

Aiming to specialize in **full-stack development** and **cloud-based solutions** in future roles.

Available for **full-time fresher roles** or **internships joining**.

PORTFOLIO & HOSTED PROJECTS

I have independently **developed and hosted** multiple full-stack web projects, all accessible via **my portfolio**: <https://devpatel-2208.github.io/DevPatel-2208/>. These include:

ASP.NET + SQL Server (HTML, CSS, JS, Bootstrap, jQuery): Sport Club Management System & Gym Management System

PHP + MySQL (HTML, CSS, JS, Bootstrap, jQuery, Brevo API, Cashfree Payment): Gloomy E-Commerce Website & Smart Study Hub & GroceryKart Online Store

All projects are **mobile-friendly, fully responsive**, and include **AJAX, SweetAlert, and real-time features**. Live hosting done via **InfinityFree** with **SSL** and domain setup.

SKILLS

HTML5 / CSS3 / JAVASCRIPT
